PUZZLES

About the Author

Alan Wareham: Puzzle Maestro with a Penchant for Perplexing Conundrums

Dive into the intricate world of puzzles with Alan Wareham, a connoisseur of enigmas and brainteasers, boasting an impressive 40-year trajectory of puzzle creation and compilation. Alan commenced his intriguing journey in the 1980s, dedicating his spare time to devising puzzling content for the prestigious British Mensa Magazine.

The year 1990 witnessed the inception of his debut publication, 'A Mensa Book of Brainteasers,' which was subsequently embraced by puzzle enthusiasts across the globe. Not one to rest on his laurels, Alan promptly followed up with 'A Mensa Book of Logic Puzzles' in 1991, exploring a different facet of the perplexing puzzle world.

The subsequent years ushered in the international acclaim with the release of 'A Challenging Book of Brainteasers' and 'A Challenging Book of Logic Puzzles.' These titles swiftly captured the imaginations of readers in the USA, New Zealand, Canada, and Australia, establishing Alan as a prominent figure in the global puzzle community.

Alan's literary craftsmanship knows no bounds, with his books having found a home in over 20 countries and being translated into multiple languages, bridging cultural and linguistic divides with the universal appeal of puzzles.

Beyond the pages of his books, Alan has relentlessly continued to satiate the appetites of puzzle aficionados through contributions to various newspapers, magazines, and additional publications on a global scale. His expertise in crafting engaging conundrums has also permeated the television industry, where he develops puzzles and quizzes that enthrall audiences and challenge the keenest minds.
